

Purple Class - Home learning grid

Instead of having weekly homework the children will now be expected to complete **five** of the tasks below over the term. The children can pick which tasks they would like to complete, allowing them more ownership of their work and more time to complete the tasks to a good standard.

It should be noted that the children are still expected to read every day and practise their times tables regularly.

Verbal I enjoy reading, writing and speaking.	Mathematical I enjoy working with mathematics and science.	Visual I enjoy painting, drawing and visualising.	Kinaesthetic I enjoy doing hands-on activities.	Musical I enjoy making and listening to music.
