Dear Parents/Carers

Welcome to the first term in Rainbow class at Copplestone!

Our topic is 'Jigsaw Pieces' in which I aim to incorporate as many of the children's interests as I can including their favourite books. Any suggestions welcome!

The Autumn term will run much like pre-school with plenty of opportunities for independent play. We will also be doing PE on a Thursday and will slowly introduce changing into PE kit as the term progresses. The children will need to have a PE kit in school within the next couple of weeks. We will also begin learning our sounds and applying them in our reading and writing.

Can I remind you to complete some 'WOW's' for the children. They are to celebrate any achievements at home and will be shared with the rest of the class. Any items brought in from home for 'Show and tell' times need to be given to the adults for safe keeping; toys from home should not be coming into school as children can get upset if they are lost.

In Rainbow class, the expectation is to be reading a story every day and it being recorded in the children's reading record book. This can be a story read by an adult, the children attempting to have a go themselves or spotting sounds/tricky words that they know. Please feel free to change your child's book as many times as you like in the week using the bookcase in the conservatory.

If there are any questions or something that you are unsure of, please come and find a member of the reception team or leave a message for us to get back to you.

Thanks for your support and let's have a great first term!

Mr Hagan, Miss Collins & Miss Mason
