

English

The children will continue to build confidence in writing independently. Focusing on understanding what a sentence is and how a capital letter and full stop are used. We are looking at traditional tales starting with Nursery Rhymes. There will be continued learning of securing their phonics knowledge with a particular focus on split diagraphs.

Understanding of the World

For the first half of term we shall be learning about Exeter both in the present and the past. This will include a visit by train so if you could spare some time some extra help would be welcomed. We shall then have some time learning about different materials and how plants grow.

Maths

Children will be securing their understanding of numbers to 100. Thinking about multiplication and division in a practical way looking at repeated additions. Lots more on shape measure and time too, with more adding and subtracting.

Exeter

Y1 Summer term

Expressive Art and Design

Children will be making pop up books and learning how different mechanisms can be made to help things pop up. They will be making healthy food hopefully from some of the food we have grown ourselves. They will learn how to paint still life flowers and plants and also landscape paintings .

Personal Social and Emotional Development.

Children will be following the school theme of Creative . They will think about how they need to keep going and be resilient and not worry if they get it wrong. They will look at successful creative people and reflect on what made these people never give up.

Physical Development.

The children will be exploring gymnastics learning how their bodies can move in different ways. We shall be developing their coordination skills with different ball games. They will continue to have Forest School and learn about being outside and how this can promote good health and well being.

Forest School Afternoons- dates please note as they keep changing

Monday 23th April

Monday 30th April

Wednesday 9th May

Every Tuesday until the end of term

PE Days

The children will have PE on Wednesday mornings.
