For children receiving government funding

Copplestone Pre-school will give you all the forms you need and the funding will come straight to us. ‘Free Childcare for Two- Year-Olds’ scheme

There is an offer of free childcare for two-year-olds in Devon County Council who meet the requirements conditions. The aims of this offer include providing childcare to the most disadvantaged two-year-olds and to narrow the gap in educational achievement between disadvantaged children and other children in the County.

All referrals for places must go through Devon County Council, and you must be in receipt of one of a list of benefits, such as Income Support. A full list of the required benefits, additional criteria and information about how to apply for the funding can be obtained from the Copplestone Pre-school office.

Vouchers

We are registered with several voucher schemes; please see administrative staff for details.

Contract

Once the contract with Copplestone Pre-school is signed you are liable for the full amount. Should sessions need to be changed this must be done in accordance with the Pre-School policy.

Bills and Payments

Bills will be distributed at the beginning of each month. If payments are not made before the end of the term, your place for the following term will be withdrawn. Fees are payable if your child is on holiday, sick or absent.

Payments

Payments should be made by the end of the month for that month's fees, and be paid either by cheque or cash in a clearly marked envelope in the school reception area or by ParentMail. If you are on benefits or experiencing difficulty with payments please speak to the pre-school administrator.

Late payment of Fees

If fees are remain unpaid, despite correspondence with parents/carers, we will refer the debt to the Devon County Council Debt Collection team. Before this referral we will make every effort to assist with payment plans. Additional non funded hours will be removed if payment is not made.

Leaving

If your child is leaving Coplestone Pre-school, half a term's written notice must be given to the office. When a child leaves in the middle of a term, fees must be paid for the remainder of that half term. For government funded children transferring to another setting a 4 week notice period will be applied to funded hours.

Review of Pricing

The Governing Board will review the fees in March each year.
