# Part A: Pupil premium strategy plan

## Statement of intent

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Ensuring that disadvantaged pupils, who are identified early as high achievers continue to keep in line with all high achieving pupils.
2	Fine tuning teaching even further to ensure forensic approach to identifying gaps for pupils
3	Interventions target gaps and the children's needs effectively
4	Attendance of identified PPG children
5	Aspirations of home learning environment
6.	Challenges in the home environment compared to the school environment with regards of boundary setting.

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To enable all children eligible for PP to achieve at least expected standards and to make at least expect progress.  Where PPG children leave KS1 tracked to ensure accelerated progress	% of PP children achieving "Good Level of Development" is in line with national. % PP children passing Phonics Screening test is in line with national. % PP children achieving expected standard or Greater Depth at KS1 and KS2 is in line with national. Ensure PP pupils have access to phonics catch up sessions 1:1.
To improve attendance of children who are eligible for PP	Close monitoring of attendance of this group. Regular meetings with parents of children who fall below 95%. Intervention from EWO for persistent absence.

To improve the behaviour and social/emotional well-being of our most vulnerable PP children	Vulnerable children are supported to access learning more effectively. As a result, children achieve more learning time and impact less on other children in the school.
To ensure those PP children who are identified early as high achieving continue to meet targets se through giving additional enrichment opportunities and immersing them in a culture of high expectation.	Children have opportunities to attend extra-curricular clubs, e.g. sports, and to provide them with a rich curriculum. Pupils are supported in attending educational visits and residential trips to enhance their school provision and experience. Ethos of high expectations in all classes for all children .

## Activity in this academic year

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

All PP pupils are supported to attend educational visits and residential trips, ensuring they have equal access to all opportunities. Pupils have the opportunity to access school led tuition. Some pupils have music lessons provided from PP funding, where this is considered to be an area they had an interest.

The outcomes of our pupil premium strategy have been assessed at the end of the academic year: Reading ARE PP 58% Writing ARE PP 38% Maths ARE PP 58%

Year 6 PP pupils receive revision materials to use at home with families. Some PP receive an enhanced transition to secondary school. Pupils are offered a special breakfast during SATs week to help support them in their concentration. Some PP pupils have received additional phonics resources which we have purchased for them to use at home.

PP have access to free items from the pre-loved school uniform shop.

PP pupils receive additional support in class where required and TA time is dedicated to this.

PP attendance was 91.53 %, these pupils have been offered breakfast club to help their attendance. They have been invited for meetings with Head and EWO to support attendance. We have supported families by helping them access the school transport .
