Summer Term 2 2026

School News

As the summer term draws to an end, it has been really amazing to look back on all the children have accomplished this year. I have been incredibly impressed our children's ongoing enthusiasm for all they are learning in class and their hard work making progress and achieving their personal learning goals. There has been a high level of learning evident across the school in learning walks, child conferences and in book looks. I am pleased with our end of year assessments. We have high expectations and will be always wanting to work hard make sure we all achieve even more! I advise parents to always take special note of the comments about attitude and effort in the school reports. My mum always told me if I tried my best I could be proud of my achievements.

This half term, Year 3 and 5 have been to RHS Rosemoor, Y3 to Quince Honey Farm and Y1 and 2 walked up to Bellator on Dartmoor. Our pre school and school sports days were extremely well attended by families and really great events to come together and celebrate cooperation, competition and effort. Copplestone school have continued their sporting prowess by taking part in several events led by Queen Elizabeth college, breaking local records in athletics, and our Y5 and Y6 rugby teams both came second in the district!

We celebrated Father's Day with a Donuts for Dads afternoon, and our Copplestone Fun Day was a fantastic event with live music, vintage cars, games and activities including ferret racing! Our PTA have worked really hard to organise these events and raise funds to buy football posts, arts and sports equipment and subsidise trips. A huge thank you to all parents for their support of our PTA and particularly to Bex for being Chair the last three years. Thank you Amber for taking up the mantle!

Our school council said they wanted a school pet, so they have hatched and cared for a triop!

She was named Bubbles by the children and was a fascinating addition to our school.

Sadly, triops have a short life span and she is no longer with us.

You may have seen that Milo the cat has taken residence in our school entrance!
Not quite a school pet, but certainly a frequent visitor!

I am exceptionally proud of our Year 6 class who have really worked hard this year. Their performance of Alice in Wonderland is a testament to the team work and dedication they have developed here at Copplestone. It will be sad to say farewell to them on Tuesday, but they must fly the nest! We wish them all the very best in their futures and hope they will keep in touch with us!

I would like to thank the children, families and staff for making my first year at Copplestone memorable one! It's been a wonderful year, and I am very proud of the work we have done together.
Happy Summer everyone!

You may have noticed we are not putting photographs of children on the website.
Sadly there are safeguarding risks which we want to avoid.
Parents can see photos of their children on our secure Dojo platform.

Copplestone Primary School is a proud member of the Devon Moors Federation with Clyst Hydon Primary School, Kilmington Primary School, Shute Primary School, Upottery Primary School, Spreyton Primary School, Filleigh Primary School and Lympstone Primary School.
