

Year 6 Purple Class News - Summer 2022

A warm welcome back to your last term at Copplestone! In this term we will continue to prepare you for SATs week before focussing on the transition to secondary school. We also have the end of year production to look forward to showcase the wide range of talented individuals I know we have in purple class. The ultimate goal is for all of you to leave feeling happy and confident and ready for your next challenge.

A thank you and well done to the spring term prefects for all of their hard work, energy and helpfulness. The new summer term prefects have already started with eagerness and enthusiasm.

Our humanities topic is a new and interesting one that looks at crime and punishment across a wide range of history. It will look back to periods of history covered in your previous years at Copplestone.

PE will continue on Wednesday afternoons and with the increasingly warm weather caps and sun cream will be welcomed alongside PE kits. PE with the Achieve4All coaches will continue to take place on Thursday afternoons.

Home learning for the summer will continue to focus on the basics:

Reading

The expectation is for every child to read at home daily for at least 10 minutes, recording their reading in their record book. Within school, depending on ability, some children will read 1:1 with an adult. Children can bring in reading books from home to read in school if they wish.

Times Tables and Maths

Please practise at home until fluent. Each child should already have a login to Maths Shed where they can practise times tables.

Spelling

Spellings need to be part of the weekly routine for home learning. Each child will continue to have a login to Spelling Shed to practise spellings and revise patterns and rules. These rules will be taught in the lesson on Monday and recapped and practised throughout the week.

After SATs have finished a reading, spelling, writing or reflection based homework will be set by Mr Wyatt on a Thursday with a week to complete.

Please message or speak to me if you have any questions.

Gareth Wyatt

All personal data provided to the school is processed in accordance with current data protection legislation. This legislation gives you the right to know how your data or that of your child will be used, who it is shared with, how long it is retained and the lawful basis under which it is collected. These details are provided in our privacy notice which can be found on our website and can also be seen at the school upon request.
