

Dear Parents/Carers

Welcome to the summer term in Rainbow class! I hope you all enjoyed the Easter holidays.

There are a few changes this term:

- From Monday 29th April, where possible, the children are expected to come into the conservatory and classroom on their own. This is to build their independence and prepare them ready to transition into Year 1 in September.
- PE will be on a Thursday however the children will need to have plimsolls or trainers to wear so we can be outside!
- Forest school will be on a Tuesday, fingers crossed for lots of sunshine!
- Stay and Learn will continue on a Tuesday for the first half of term

Don't forget WOW's are available all the time; I would like to see my board filled with all the children's achievements!

As it is the summer term we are hoping for lots of sunshine and opportunities to be outside enjoying it! Can I ask you to make sure the children have had sun cream applied in the morning and to provide some extra in their bags for the children to apply during the day when required. Obviously water bottles will be needed (just water please!) and some may even want to bring hats to wear.

Thanks for your continued support and let's have a great last term in Rainbow class!

Mr Hagan & Miss Collins 😊
