

RAINBOW CLASS NEWS

Summer 2025

Dear parents and carers,

Welcome back to the Summer Term in Rainbow Class!

Our Learning

Our topic this term is: 'Where I live/Flying High'. As part of these topics, we will look at different types of homes, Amelia Earhart and transport. There will be a theme of similarities and differences between now and the past through across both the homes and transport topics. We will continue our focus on reading with reading practice sessions and books being assigned on the eBook system. Please continue to keep reading at home, it really assists their consolidation of their phonics knowledge.

Reading records and book bags are expected to be in school every day.

Phonics:

We have learnt all the new sounds for this year! This term will be all about consolidating what we have learnt so far and using our knowledge to read longer words.

Forest School

We will be taking part in forest school with preschool on a Friday morning. Please come to school dressed in clothes that you are happy to potentially get muddy and wellies with the children's PE kit to change into for after. The children will be going outside for PE, so be aware to potentially pack weather dependent clothes for this. The first session will be the 2nd May.

Keeping active and healthy

As we are spending more time outside, please pack suntan lotion, hats and water bottles for those sunny days!

Thanks for your support and let's have a fantastic final term!

Mr. Hagan
