

RAINBOW CLASS NEWS

Spring Term 2026

Dear families,

Welcome back to a new year and a new term! I hope you enjoyed the break and some family time together.

Our focus on our early reading skills continues this term. Please keep supporting your child with their phonics and reading using the online books.

Keeping active and healthy

PE is every Friday afternoon. Please make sure your child has the correct kit in school each week and that it is clearly labelled.

Remember to have water in bottles and if you are providing a snack, make sure they are only healthy items.

Curriculum

This term, our focus is on farms, healthy eating and growing. This also encompasses life cycles and looking after our teeth.

In Phonics, we continue to learn a new digraph *every day*. The children will have practice reading sessions three times a week and book bags and reading records will be needed for this.

In Maths, we will explore numbers from 6 to 10, their composition and comparing them. We will make patterns and look at the properties of shapes.

Please take a look at the class topic web on the school website to find out more.

Important dates:

We have two Rainbow class meetings this term for you all to attend:

Monday 12th January at 3pm
and
Tuesday 24th February at 3pm

Later into the term we will be going on a trip to a farm. Details about this will be provided after half term.
