

# ORANGE CLASS NEWS

## Spring Term 2026

Dear families,

Welcome back to a new year and a new term! I hope you all enjoyed the break and some family time together. We have all enjoyed being together again and hearing all about the holidays. The children have also impressed by settling quickly and seamlessly back into our normal timetable.

### Keeping active and healthy

PE is still every Monday and Thursday afternoon. Please make sure your child has the correct kit in school each week and that it is clearly labelled.

### Curriculum

In maths, our main focus this term is multiplication and division facts, fractions, and decimals. We will be studying a variety of fiction and non-fiction texts in English and will be working hard on improving our use of punctuation, adverbials, and expanded noun phrases. Children will also be exploring new topics such as Ancient Greece, electricity, digestion, and creating a book bag in DT.

Please take a look at the class topic web on the school website to find out more.

### Important dates:

Explore the orchestra:  
Friday 30 January 2026

Residential trip meeting:  
A meeting about our 1-night residential (Monday April 27<sup>th</sup> - Tuesday 28<sup>th</sup> April) TBC
