

PURPLE CLASS NEWS

Summer 2026

Dear parents and carers,

A very warm welcome back! I hope you all had a lovely break and are ready for the busy term ahead.

In this term we will continue to prepare children for SATs week before focusing on the transition to secondary school. We also have the end of year production to look forward to showcase our talents! The ultimate goal of this term is for all of you to leave feeling happy and confident and ready for your next challenge.

Miss Blake & the Year 6 Team

Prefects

A BIG thank you and well done to the spring term prefects for all of their energy and helpfulness around the school.

The new summer term prefects have already started with eagerness and enthusiasm.

We also have other events such as sports day where the whole of Year 6 will help and support younger pupils and the school community as a whole.

Home Learning

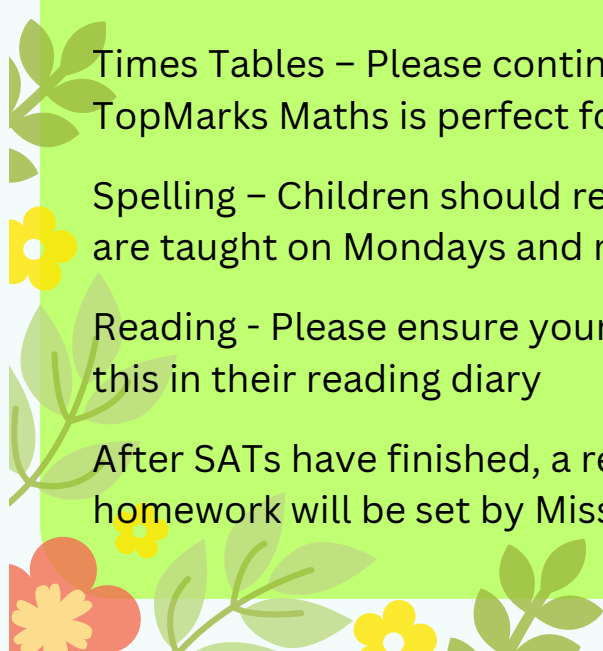

SATs workbooks will continue to be used until the assessments are complete.

Times Tables – Please continue practising at home until fluent. EdShed or TopMarks Maths is perfect for this.

Spelling – Children should regularly practise on Spelling Shed. Spelling rules are taught on Mondays and revisited throughout the week.

Reading - Please ensure your child is reading on a daily basis and recording this in their reading diary

After SATs have finished, a reading, spelling, writing or reflection based homework will be set by Miss Blake on a Friday, with a week to complete.

PURPLE CLASS NEWS

Summer Term 2026

Curriculum

English and maths will continue to focus on developing key skills, ensuring that children are confident and well-prepared as they transition to secondary school and the next stage of their education.

In history, pupils will explore the fascinating topic of crime and punishment, examining how laws and consequences have evolved over time. In art, children will further develop their clay techniques to create a meaningful sculpture celebrating their time at Copplestone. Our DT unit will focus on food, where pupils will design and make their own dishes as part of an exciting food festival.

PE will continue on Thursday afternoons and with the increasingly warm weather caps and sun cream will be welcomed alongside PE kits. After SATs, Forest School will take place on a Wednesday.

Communication

Communication between home and school is essential for children's success and well-being.

Please use Class Dojo to send any messages. If you have an urgent request, then please telephone the school office. I am more than happy to telephone you to discuss any concerns or queries you may have in more detail.

I hope the children are looking forward to what is going to be a busy and exciting term ahead. Many thanks for your continued support.

Lizzie Blake
