

Copplesstone Primary School PTA meeting
9/2/23

Present:

Claire Glover
Lisa Camp
Sarah Hancock
Tracy Hookway
Katy Manns
Kelley Sitton
Mrs Mackey

First item on the agenda; Mothers Day Shop

We discussed pricing and agreed that we need to increase the price to £3 as its getting harder to source items within the £2 price.

We decided to write something on the slips about sharing the present if there are siblings, they could come and choose one present together.

We need to but around 170 gifts

TH brought up having more of each item as opposed to less of lots of items, so that all the year groups can choose from the same things. This was agreed but KS pointed out it is harder to get the amounts with stock levels in the shops.

Slips will need to go out soon as will need to be back by the 3rd March

A parent mail will be put out about parent helpers to run the shop and for wrapping.

Item to action; Return slips to be sent out

Second item on the agenda; Easter

There will be no bunny bounce this year.

We will have an easter egg decorating contest, preferably a blown/empty egg. SH suggested creating a diorama style scene in a box where the egg forms part of a mini scene/set.

We will aim to have one easter egg prize per class. Will need a letter asking for egg donations for Tesco etc, LC to sort this.

We will put out a parent mail about the competition after book week or else there will be too much at once.

The winners will be announced on Friday the 30th but this won't be in assembly, Mrs Mackey will judge the eggs.

Item to action; LC Letter for egg donations

Third item on the agenda; Disco

We decided that we would do a summer disco towards the end of the year, on Friday the 7th July.

CG to ask Anne if Aidan can do the disco again as he was a hit list time.

We will keep to the £3.50 for one and £6 for two tickets, one price covers entrance, hot dog, drink and sweet treat.

CG to ask Oliver's if we can have a cost price for the rolls again.

Item to action; CG to book Aidan for disco. CG to ask Oliver's re rolls.

Third item on the agenda; Quiz & Curry Night

We discussed wether to have fish & chips or curry, KS happy to cook the curry, its easy to do and would have a higher profit margin. CG spoke to Suzanne who agreed to being the quiz master with John. We have booked this for the 19th May. £10 a ticket, can bring your own alcohol. Maximum team sizes of 8.

Items to action; Send a save the date parent mail or Dojo for the quiz night

Miscellaneous items we discussed

Mrs Mackey suggested a Friday treat day, could order doughnuts or ice poles to be delivered to sell.

We chatted about doing something for the Kings Coronation, perhaps a coronation party on Friday the 5th May.

We chatted about the ice cream van at sports day and asking if George would mind giving the school a contribution of his takings. Also discussed selling ice poles at sports day.

Next meeting date Wednesday 22nd Feb
